

### GIVING TOMORROW'S WORKFORCE THE TOOLS TO SUCCEED!

Education to Employment (E2E) is for students ages 14-21, with an IEP, a 504 plan, or a disability. Must also reside in an approved county in the state of Utah.

E2E Partners with local employers and is designed to help students explore career options and prepare them for the transition from high school to post-secondary education or the world of work.

After working together to determine a career pathway, the Career Advocate will provide a variety of tailored pre-employment transitional services to help break down barriers between the student and their chosen career path.
